

Credit Score Solutions Process

Please take a few minutes to read through the credit repair process.

We will not start the repair process until payment is received and the paperwork is completed and returned.

After the three day right of rescission period has passed, we will investigate your reports. We may contact you at this time if we need further information or explanation of certain items on your reports.

Once disputed, creditors have 30-45 days in which to verify the debt to each of the three bureaus. You will receive information in the mail advising you of the status of the disputes. You must forward this information ASAP.

Your score will begin to reflect the changes in about 30-60 days, but for the maximum results it could take up to 120 days.

IMPORTANT!

IF ANY NEW DEROGATORY ITEMS ARE ADDED DURING THE 90 DAY PROCESS, THE MONEY BACK GUARANTEE IS VOID!! THIS INCLUDES LATE PAYMENTS, NEW COLLECTIONS, JUDGEMENTS, BAD CHECKS AND GOING OVER YOUR CREDIT LIMITS.

ANY NEW DEROGATORY ITEMS THAT REPORT WILL CANCEL OUT THE ON GOING REPAIR PROCESS.

Here is what we need from you:

If you have pulled any consumer reports in the last 12 month, please include the following:

Experian- Provide the report or report number

Equifax- Copy of the report

TransUnion- Username and password or copy of your report.

We must have this information or the investigation process could be delayed.
